

College Fair and College Rep-Visit Questions

These are suggested questions. Ask questions that are relevant for you...

Size of School:

- What is the undergraduate population of your school?
- What is the average class size for first year students?

Potential Location Questions:

- Where are you located, and can you tell me about the community around your campus? (urban, rural, suburban, etc.)
- Are students expected to live on campus? Is there anything unique about your residence halls?

Academics:

- Let the representative know your potential major or areas of study that you have interest in. Ask if they have programs in those areas.
- What is distinctive about the academic experience on their campus? Or, what makes your program different from other colleges/universities?
- What opportunities would I have with _____ major at your school?
- What is the advisory structure like? What is the orientation process for first year students like?

Financial Aid:

- What are your financial aid deadlines?
- Are there additional requirements beyond the FAFSA?
- How are financial aid packages determined?
- What is the approximate package for a student who is Pell Grant eligible?
- What are some opportunities for on-campus employment?

Admission Requirements:

- What are your upcoming deadlines?
- What is the typical GPA range and test score range for admitted students?
- Is applying Early Action important?
- What applications do you accept?

Campus Culture & Other Support Systems:

- What are some of the most popular activities that students do on campus?
